

CAPS BURY

We manufacture and supply beautiful contemporary products, which are influenced by our surroundings,
namely India.

Inspired by traditional crafts and local raw materials, whilst incorporating forward thinking manufacturing
and engineering processes, executed by local craftsmen.

Our aim is to expand expectations on what Indian furniture is and has to be and to show that well designed
and engineered contemporary furniture can be produced in a country where traditional crafts have for so
long been held back from progression

ASHA

By Rebecca Edwards

is a contemporary range with rustic influences combining antiqued copper detailing with solid grey washed fruitwood. Available in two finishes, a dark grey wash and a warm honeycomb finish.
