

CAPS BURY

---

We manufacture and supply beautiful contemporary products, which are influenced by our surroundings,  
namely India.

Inspired by traditional crafts and local raw materials, whilst incorporating forward thinking manufacturing  
and engineering processes, executed by local craftsmen.

Our aim is to expand expectations on what Indian furniture is and has to be and to show that well designed  
and engineered contemporary furniture can be produced in a country where traditional crafts have for so  
long been held back from progression
