

CAPS BURY

We manufacture and supply beautiful contemporary products, which are influenced by our surroundings,
namely India.

Inspired by traditional crafts and local raw materials, whilst incorporating forward thinking manufacturing
and engineering processes, executed by local craftsmen.

Our aim is to expand expectations on what Indian furniture is and has to be and to show that well designed
and engineered contemporary furniture can be produced in a country where traditional crafts have for so
long been held back from progression

SAMARA

Simple contemporary lines teamed with beautiful natural timber creates a rich look that's accentuated with strong graining and practical storage options. Made from Sheesham solids and veneers with a durable water-based sealer finish to maintain this very natural look.
